Dear

We invite you to get vaccinated against COVID-19.

Below you will find all the necessary information about your vaccination.

Even if you have already been contacted by e-mail or SMS, it is intended that all citizens receive the letter below.

If you already have an appointment or have already been vaccinated, please disregard this letter.

**The vaccine is free of charge and is voluntary.**

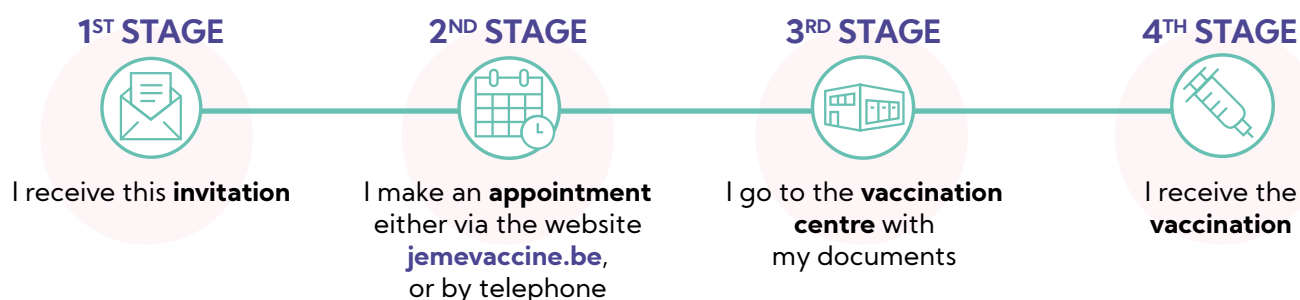

## HOW do I make an appointment ?

Make an appointment before **with your personal vaccination code** above.

- ▶ Preferably via the website [www.jemevaccine.be](http://www.jemevaccine.be)
- ▶ **Or** you can **scan the QR code** above. To do this, you must first install the QR code application on your phone.
- ▶ **Or** by telephone.

When you make an appointment, **you will be able to choose among the centres** that will be proposed to you, and then **the date and time** of your vaccination.

In concrete terms, the vaccination process is as follows :

## WHAT SHOULD BE DONE if you can't get to the vaccination centre because you have **MOBILITY PROBLEMS** ?

- ▶ Ask **those around you for help**.
- ▶ **Most public transport is free of charge** upon presentation of the invitation and the confirmation of the appointment.
- ▶ **Local travel solutions** are available: ask your municipality or the CPAS for information.

## Are there any **CONTRAINDICATIONS** to vaccination ?

The **contraindications** for vaccination against COVID-19 are **rare**.

**If as a result of a previous vaccination or in other circumstances**, you have had a severe allergic reaction or needed urgent medical attention, contact your doctor for more information.

**If you are currently suffering from an infection or have a fever** (38° or higher), postpone your vaccination appointment until you are fully recovered.

**If you have had a positive Coronavirus test in the last 14 days, whether or not you have any symptoms**, contact your doctor and reschedule your vaccination appointment for 14 days after your recovery.

## Do you want to be vaccinated, are you **WORRIED**, or do you have **QUESTIONS** ?

- ▶ Consult our questions and answers section on [jemevaccine.be](http://jemevaccine.be).
- ▶ Call our call centre.
- ▶ Contact your **doctor** or your **pharmacist**.

## What to do **ON THE DAY OF YOUR VACCINATION** ?

- ▶ Take this letter with you, which contains **your personal code**.
- ▶ Please have the medical questionnaire attached to this letter ready, **duly completed**.
- ▶ Please bring your identity card with you .
- ▶ Wear **a surgical or cloth mask**, **NOT** a bandana or scarf.
- ▶ Wear clothing that **makes it easy to reach your upper arm**.
- ▶ **Come alone**, unless you need assistance to get around.
- ▶ **If you are ill**, do not come. Instead, make a new appointment (see above).

Kind regards,

**Dr. Christian Huvelle**

Infectious Disease Surveillance Unit Regional  
Health Inspector
